## Spring is in the Air!

The snow has melted and flowers are blooming! It is spring again and as we all start enjoying the outside again, please remember that our park is a part of the neighborhood. If you have a party, or enjoy a picnic with the family, please make sure to use the trash cans provided. We have a board member who supervises the landscaping and equipment, but you can always help out by picking up any stray trash you see or report any misuse of the park before and especially after sunset to the local police. Let's all work together to keep our neighborhood beautiful!

## Easter Egg Hunt

*Date: Saturday, April 23<sup>rd</sup>*

*Time: 3:30pm*

*Location: Neighborhood  
Park*

It's that time again – the Easter Bunny visits the park and hides his eggs for all the neighborhood kids to find. Saturday, April 23<sup>rd</sup>, plan to bring your children to the park so they can “find” eggs and

remember all the finders of a golden or silver egg win prizes!

If you have toddlers, don't worry. We always give the little ones some extra time before unleashing the older kids

## Neighborhood Garage Sale & Spring Dumpster

*Date: Saturday, May 14<sup>th</sup>*

With the Spring comes the natural desire to start everything new. This may mean different things for all of us, but one thing we can all agree on is the need to clean out the old in order to make room for the new.

March 2011

As a neighborhood, we help each other accomplish this with a good

old fashion garage sale morning, so you can turn your trash into some else's treasurer. The key to a good garage sale is participation, so the more households we have join in the more there is to draw people, so pull out your card tables and price your stuff to sell! Whatever is left, can be donated or brought down to the parking lot and put in the dumpster that will be available all weekend.

## Park Clean-up Day

*Date: Saturday, May 21<sup>st</sup>*  
*Time: 9:00am*  
*Location: Neighborhood Park*

We have worked hard over the past years to make our park a great place for neighbors to connect and kids to safely play. We hope you have enjoyed the additional amenities and cannot thank enough those volunteers who helped along the way. We now enjoy two play sets, new swings, and additional benches and picnic tables.

This year we plan on working to separate the playground and picnic areas and incorporate some mulch to

help with the drainage. We are also going to order some additional trash can holders that will need to be installed, so come down for a time of beautifying our neighborhood and fellowship with your neighbors.
